

*Skyline Family,*

*As we promised, we are updating everyone as we receive information and make decisions, specifically regarding cancellations and our time together. We have decided it best to comply with common sense procedures and cancel all Skyline activities through the month of April. At that time, we will meet again and decide what to do based on the information available. I know this is a tough time for all of us, but your leadership is convinced that God is working during this storm. He will lead us through this, and we will be stronger as a family than we've ever been.*

*Something else to consider is that we are asking our staff to work from home as much as possible. If you call the church office and there is no answer, please leave a message. We will check them at least three times a week. If you have cell numbers, that will be an easier way to get in touch with people.*

*Please be mindful that we are attempting to keep everyone connected through this crisis, taking a team approach to ministry for the family during this period.*

- Each Monday, Josh will lead us in the Monday Mile, which will be posted directly to our FaceBook Group.*
- Each Wednesday, Alison will direct our thoughts as we pray for those in our family and others.*
- Each Friday, Cory will be leading us in a Word from the Lord, perhaps through Lectio Divina.*
- We will have Sunday worship at 10:00AM each Sunday at least through April.*

*Those are the things we are committed to, and the ways that we will serve this body and keep us connected for as long as we have to. Please keep us informed of any prayer requests you have. Please keep us informed if you need someone to shop for you or bring you something or whatever your need may be. We want you safe, so please let us help you. We're family. It's what we do.*

*We will continue to pray for you and our world during this time. We love you, Family.*

*Blessings,  
Your Shepherds and Staff*
