

Skyline Family,

Mayor Conger's office has released a plan for loosening the "Safer at Home" guidelines. Currently, churches are part of phase two of the mayor's plan. With that in mind, we wanted to let everyone know our plan moving forward, as we currently know it.

- We will continue with online worship for the month of May, with the understanding that small groups may wish to resume meeting in some capacity. If that is the case, we urge everyone to use wisdom and maintain the guidelines set before us as we come back together in small groups.
- The church office will be open from 8-12 Monday through Friday beginning May 4.
- If you would like to drop an offering off or pick up new communion cups, please do so between the hours of 8 and 12 or make other arrangements.
- Please call the office if you need anything.
- As we receive more information, we will keep everyone posted.

We want to do everything we can to keep our church family safe and comply with local officials to do our part in helping ease the burden this pandemic has created. If you need anything during this time, please contact the office at 731-668-5185.

Blessings,  
Your Shepherds and Staff

\*\* Even though we are not assembling together in one place, our hearts and minds are assembling every Sunday for worship. We believe worship is vital to our life as the family of God, and an important part of that worship is giving. We all give of ourselves, our time, our talents and our financial blessings.

We want to make you aware of three ways to continue your financial contribution to the work.

- You may give online. [Click HERE to give online.](#)
- You may bring a check by the church office or mail a check to the office at 1024 Skyline Drive, Jackson, TN 38301 (Office is now open from 8 to 12 daily.)
- You may download the Ministry One app on your phone. (Info is on the website.) If you need help with this, contact Ava Storie at [avastorie@skylinechurch.com](mailto:avastorie@skylinechurch.com).
